

VALUE VAC 1600 VACUUM SEALER

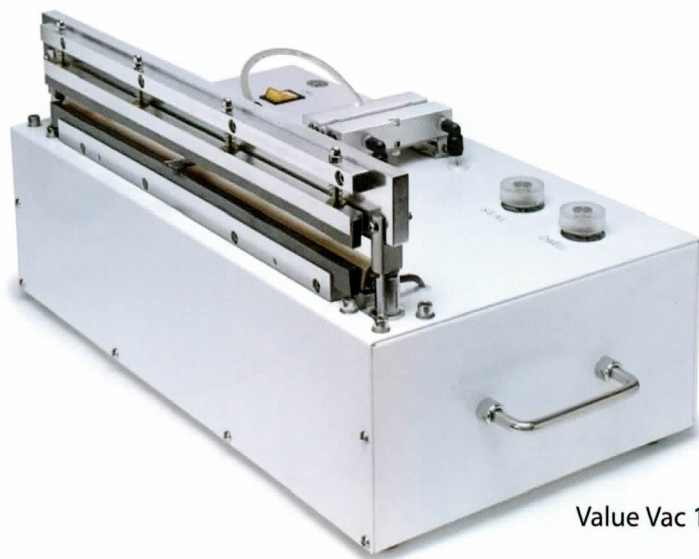

Quality/Performance/Low Price

This Value Vac 1600 is truly a machine that delivers both quality and performance at a price that says WOW, what a great price. So can your vacuum application be handled with a 15.5" seal length, does not require gas flush or a bi-active seal, then look no further the Value Vac 1600 is the machine for you. If longer seal lengths or other options are required then take a look at Gramatech's other models of great vacuum sealers.
